THE WORLD IS A BOOK

A photograph of two young boys sitting on a patterned rug, focused on playing video games. They are both wearing white t-shirts and holding grey video game controllers. The boy on the left has curly hair, and the boy on the right has straight hair. The scene is dimly lit, with the primary light source being the screens of the game consoles, which are glowing and illuminating the boys' faces. The background is a dark rug with large, light-colored spots.
