

The most important thing
in the Olympic Games...

Is not winning ...

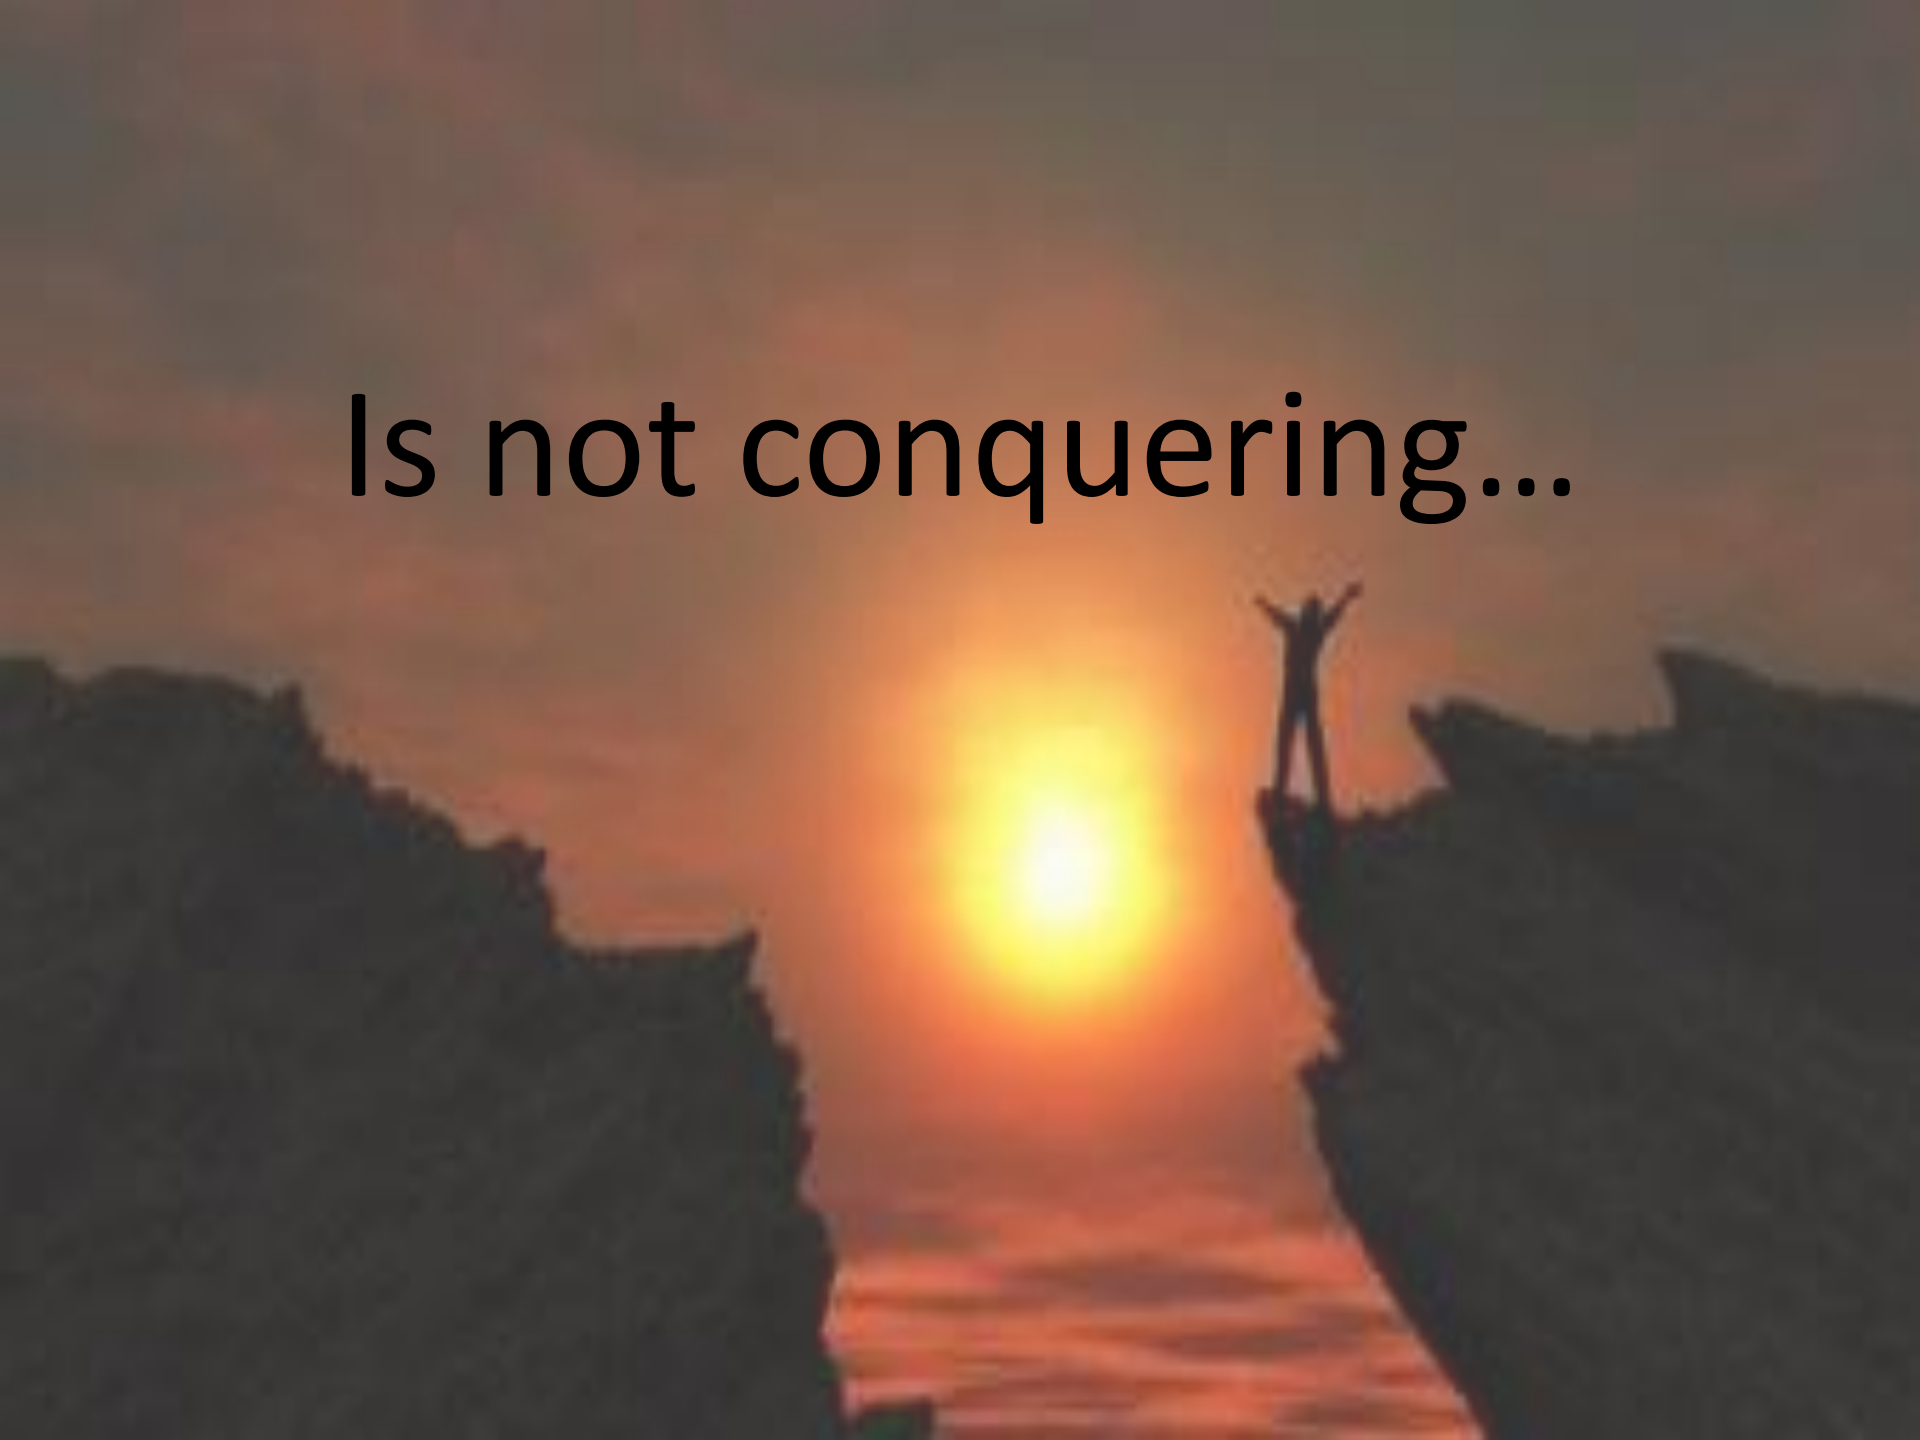

... but taking part

A dramatic sunset over the ocean. The sun is low on the horizon, creating a bright, golden glow that reflects on the water's surface. The sky is filled with large, dark clouds that are illuminated from below, giving them a fiery, orange and yellow appearance. The water in the foreground shows gentle waves and ripples, with the sun's reflection creating a shimmering path across the sea. The overall mood is serene and majestic.

The essential thing in life...

Is not conquering...

...but fighting well
